

NO CHARGE - MISSIONS WORK

Lady Up America
with Diane Canada

TRAINING REPUBLICAN CHRISTIAN WOMEN TO WIN HEARTS, MINDS, & VOTES BECAUSE WOMEN DON'T LISTEN TO POLITICIANS... THEY LISTEN TO EACH OTHER

Founder, Diane Canada, has been seen On:

Lady Up America is a growing movement, founded by Diane Canada. Republican Christian women are trained & equipped to:

- Gracefully engage in the toughest and most uncomfortable cultural conversations with their children, family, neighbors, and co-workers
- Masterfully navigate those conversations and win their hearts and minds to Republican values
- Galvanize them to vote

Our vision is that women will become so influential, utilizing the signature Lady Up America techniques, that they drown out deceptive mainstream media, big tech, and Hollywood.

The GOP needs a new gameplan. Women despise robocalls, doomsday text messages, political commercials, and they don't feel safe opening their door to doorknockers. Lady Up America is the new plan!
